

EZEKIEL CHRISTIAN SCHOOL

“ GOD STRENGTHENS”

CODE OF CONDUCT

Our aim at Ezekiel Christian School is to focus on the direction our students must go, in line with Proverbs 22:6:

"Train up a child in the way he should go: and when he is old, he will not depart from it."

We teach our students to take responsibility for their actions by developing their character.

1. I will strive to maintain the honor of God and my school at all times, living up to our vision: "Developing and promoting tomorrow's leaders with Christlike character in their attitudes and actions."
2. I will always try to help my students and fellow staff members.
3. I will endeavor to be a true leader and lead by example.
4. I will strive to be honest, reliable, sincere, and gracious.
5. I will strive to be humble.
6. I will remember that, wherever I go, people will assess the standard of my school by observing my behavior.
7. I will serve in accordance with the principles of my Christian faith and the expectations of my school's viewpoint regarding Christian living.
